

Getting Started with the GRI-Mech 3.0 Reaction Mechanism

In the directory `<app_dir>\Chemked35\Samples\` there is a solver file `GRIMech30.txt`, where `<app_dir>` is the directory chosen for the program installation. This file contains the full GRI-Mech 3.0 Reaction Mechanism (53 species and 325 reactions) **and a sample of calculation**. Open the file, it is ready to use in all tools of Chemked-II.
